

## collection of dog mess

- Remember when you walk your dog you are responsible to collect any dog mess.
- Always leave home with bags to be able to collect the dog mess and deposit in the nearest refuse container.
- There is no excuse, nobody else should have to clean up what is your responsibility as a dog owner.

The fine for not cleaning up the dog mess from public property is 60 to 600 euros.

- New door to door service managed 100% for the first time from the Town Hall of Xaló.

- Remember the times to leave refuse in the street are:

TUESDAYS | de 20,00h a 21,30h (WINTER)

FRIDAYS | de 20,30h a 22,00h (SUMMER)

- Do not leave furniture nor white goods during the week on the street.  
There is a special service first thing on Saturday mornings.

# underground refuse containers

• The grey container is for **organic waste**, as in a left over food, peelings, and unrecyclable objects. You must **not throw dangerous substances**, such as batteries or medicines.

• It's for a **paper and cardboard**. The opening is as seen, so you must fold or break down bigger items to fit. You must **not throw paper soiled with oils or used nappies**.

• You can throw **plastic containers, tetra-bricks, metal containers (tins, cans)**, aswell as kitchen foil. It is **prohibited to throw contaminated containers with oils, CD's or electrical goods**.

• The green container is for **glass bottles without the cork**. You must **not throw light bulbs, window glass nor porcelain or ceramic goods**.

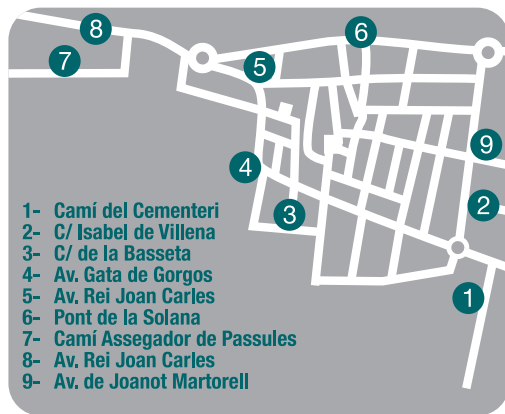

• The underground refuse containers, better the image of the village, save us from bad smells and permits better recycling.

• We must use the containers correctly, we must not leave the refuse outside the containers.

• The large pieces of refuse and garden rubbish that will not fit in the containers, should be taken to the Eco-Park.

• We should leave the refuse at the containers from 20:00 hrs, as the lorries empty them in the mornings.
